

Raynor OptiFinish™ Doormasters™

More than 1800 colors are now available on any Innovations and Traditions Garage Door! Raynor's new OptiFinish program allows any Affina®, Centura®, and Relante® door in the Innovations® line, and Masterpiece® and Showcase® door in the Traditions® line to be painted after the section is built, giving homeowners the unprecedented ability to customize the color of their garage door. Featuring durable Sherwin-Williams® BP Enamel paint, the post paint process applies a third layer of paint to the pre-painted and galvanized steel adding another layer of protection to the garage door.
